

Enduro Try Day

Sunday 31st October

Venue TBA, but within a reasonable distance from our showroom

The day is designed to allow prospective customers to come and try a bike... you will be able to bring your own bike to draw comparison, though track time will be limited.

How it works: select two models you would like to try, call us and we will give you the time slots. The event will suit experienced riders, and there is an admin charge of £30 payable when you book.

On the day you will be required to deposit your driving licence with us. If however you would like to avoid "on the day admin" simply come in, do all the paperwork, then on the day just sign in.

Don't hang around with your booking, we have limited spaces, and the last event sold out sharp'ish.

Models available...

- KTM 125 EXC
- KTM 200 EXC
- KTM 250 EXC
- KTM 300 EXC
